Constructed and built by one of the top developers in the entire city with more than 50 years of experience, this prestigious complex will be completed by the end of 2019 to outstanding standards and offers residences for sale from studios – four bedrooms. The complex is more than perfect for small to large families.

◆ Attractive details, aesthetic elements, and soft touches throughout have been used inside the flats. Open plan modern layouts provide lots of space for relaxing at home, while floor to ceiling windows allow sunlight inside all day long. Large private balconies offer tremendous views across the surrounding settings.
